Dear friend

Yesterday brought me your favor
of the 17th enclosing one from Calvin Fairbanks
a few days before your favor returning the
one written by Dr Rice. I have read them to
Mother she sends an enclosed \$10. which
you will oblige her if you will have sent to
Will F. He draws a sad picture. "Mother"
has too many calls to further, he is sending
more. We are glad it does not go to Dr Rice
or his application. We are glad to hear of
you being in New York, whenever you can extend
your visit the way we shall claim at least
one night from you. "Mother" is very feeble, does
not get up to breakfast & seldom to dinner.
We reciprocate your kind feelings & are as ever your
Sincerely for family.
